Sponsored By:

The Green Business Program is a unique effort to provide restaurant and automotive businesses technical assistance and training in environmental compliance, pollution prevention and conservation.

As part of a joint effort between the City of Encinitas and San Diego Area Green Business Program, restaurants are invited to attend a Green Business Workshop intended to provide restaurant owners and managers with pertinent information and tools necessary to improve regulatory compliance, and learn how to become a "Greener Business."

The program is voluntary and offered to businesses free of charge.
